Arezzo 2014

da: Mirabilia Design - Nora Corbett

Modello: SCHCEN-AREZZO2014DD

Arezzo 2014 - Schema in formato Digital Delivery
Versione *solo schema* del delizioso disegno realizzato da Nora Corbett in occasione della nostra ottava Festa del Ricamo.

Nota Bene: Non si accettano reclami e/o richieste di rimborso, dopo aver acquistato e scaricato questo schema digitale. Lo schema NON è creato a computer e con software professionali, bensì è il disegno originale, nella calligrafia originale di Nora e come accade spesso nei piccoli/grandi capolavori creati a mano e in pochissimo tempo (come quello che Nora Corbett ha avuto per realizzare questo splendido omaggio per noi tutti), anche in questo c'è qualche piccola imperfezione che, siamo certi, lo renderà per voi ancora più unico e prezioso!

- 1) il filo corrispondente al simbolo quadrato nero pieno (nello schema, è presente, ad esempio, nei capelli) è il DMC 3371;
- 2) il primo simbolo nella lista (triangolo nero pieno con angolo retto in basso a destra) non corrisponde al DMC 3371, ma al DMC 3021;
- 3) nella legenda dello schema, i DMC 165 e 211 corrispondono allo stesso simbolo: solo, ricordate che il 165 è usato solo nelle foglie, mentre il 211 è usato solo nelle rose in basso nello schema.

The Snow Queen (MD143)

da: Mirabilia Design - Nora Corbett

Modello: SCHHOF16-1207

Nora Corbett: *"Questo modello mi è stato ispirato dalle tempeste di neve e dalle fiabe danesi che leggevo quando ero piccola. Perline e stelline luccicanti adornano il suo mantello così come anche il suo compagno è adornato di disegni invernali e festivi e perline. Adoro quei momenti subito dopo le tempeste di neve, quando tutto è puro e silenzioso. Immagino che sia per questo motivo che le tempeste hanno nomi di donna."*

The Baker's Wife (MD166)

da: Mirabilia Design - Nora Corbett

Modello: SCHHOF19-2548

Non tutto ciò che è dolce è necessariamente buono. La moglie del fornaio di palazzo ne è l'esempio. Quando il lusso diventa opprimente, l'unico modo per divertirsi è scambiare lo zucchero con il sale e divertirsi a guardare la nobiltà assaggiare le leccornie preparate dal marito e contrarre i loro visi in smorfie di disgusto. Questa piccola imbrogliona vive a corte, ma solo come serva. Questo però, fino a quando non si trasforma nella misteriosa Duchessa di Rouen.

The Duchess of Rouen (MD168)

da: Mirabilia Design - Nora Corbett

Modello: SCHHOF20-1456

Design: Nora Corbett

Punti: 152 x 201

I balli in maschera sono ormai una consuetudine per la duchessa. LA sola ragione per cui partecipa a simili eventi è per distrarsi dalla quotidianità. Mentre il clavicembalo suona la sua dolce melodia, la Duchessa di Rouen ritrova, ancora una volta, la strada per il giardino segreto delle farfalle dell'imperatrice. Affascinata dalle tonalità color lavanda di queste bellezze alate, si perde nel profumo dei fiori che coprono quello delle masse celate proprio dietro alla porta del giardino.
